

## Blessed Savior Lutheran Childcare Teacher

Young children learn mainly through play. Teachers recognize this and capitalize on children's play to further the social, emotional, cognitive, physical, and spiritual development of a child. Instruction concerning young children can include small group lessons, one-on-one instruction, hands-on learning, and creative activities such as art, music, and dance. Teachers play a vital role in preparing children to build the skills they need in the future.

To instruct and train children diligently and faithfully in accordance with the Word of God and with curriculum approved by Blessed Savior Lutheran.

To serve as a Christian example and witness faith in Jesus Christ to all students, families, and staff involved with Blessed Savior Lutheran.
