2025 Annual Giving Report

“...I am the resurrection and the life. He who believes in me will live, even though he dies; and whoever lives and believes in me will never die.”

-John 11:25-26

Extended Ministry Endowment Fund

In early 2005 our church formed a committee to actively establish and promote an Endowment Fund. Our church had a vision to grow the fund, and support organizations throughout the mission field, both locally and worldwide. Bylaws were written, policies were established, committee members attended training seminars and much progress was made. In 2007 our first grant in the amount of \$500 was paid to assist in rebuilding a church in Maine.

Now, twenty years later we have been blessed with generous donors and have established one named fund within the Endowment Fund. The balance of the combined funds grew to \$918,473 this past year! We have measured success as being able to offer support to 96 various ministries with financial support amounting to \$323,460. All used to spread the Gospel through Mercy, Witness, Teaching and Missions. We are truly blessed as this fund is strengthened each year and thereby extends greater assistance each year. For 2026, the grant budget for the Fund is \$46,000 based on 5% of our December 31, 2025 balance, but may be flexed to 6% based on investment performance as has occurred the past two years.

Hope for the Homeless and Destitute

The Homeless Fund began in 2015 and has received consistent support each year demonstrating the commitment of donors to this mission. Twenty-five separate organizations have already received assistance and we continue to learn of additional organizations that are making a difference in our community. Our members and friends have been encouraged as they become acquainted with many organizations that extend the love of God through helping others in need. The intent of the fund is to help the homeless and destitute in Milwaukee and its contiguous counties. Differing from our Extended Ministry Endowment Fund, the beneficiaries of grants from this named fund may include Christian based organizations outside of the LCMS. Many doors have been opened for us as we reach out in God's love, to share financial assistance, hope and the Gospel of Christ with so many disadvantaged people. All grants are approved in accordance with church approved bylaws and policies of the endowment fund and administered by the voting directors for the Blessed Savior Lutheran Church Extended Ministry Endowment Fund, Inc.

A subcommittee exists to promote this fund and to research the various mission outreach services being offered to assist the homeless and destitute in our area. Please consider joining this committee or assisting with this effort. Contact John Koch, the committee chair with questions.

2025 General Fund Grants

Bethany Lutheran Church

\$2,000

Bethany Lutheran Church describes its mission as “a beacon of light reaching out into the neighborhood with the Good News of Jesus Christ.” Some of their mission work includes distributing clothing and blankets to the homeless, making and serving soup to the hungry, and maintaining a food pantry.

Bethany has been the recipient of several grants over the years, not only because their work is so important in such a struggling area of Milwaukee, but their situation is so unique as they do not have a congregation to support it. The South Wisconsin District supports this mission work, which is led by Pastor Afam and the handful of members who work with many of the people in the neighborhood. You will also find many of our own members active in this mission. Pastor Afam, is also the minister/chaplain involved in the Free at Last Ministry program and works closely with the Franklin House of Correction, both the employees and inmates often depend on him for various situations. He has baptized many inmates and has blessed many by his ministries

Journeys Lutheran School

\$5,000

Located in Hales Corners, this specialized school teaches children with special educational needs who are unable to find the programming they need in a general education classroom.

Here, they receive individualized attention in self-contained classrooms. The instruction is level-based, providing the appropriate workload and level of difficulty for each student. Their approach to teaching each student is holistic; they believe that education is best delivered and received when a student's spiritual, physical, social, emotional as well as cognitive needs are addressed. They offer a therapeutic setting for students, with access to a sensory room, music therapy space, art therapy studio, or motor lab. Counselors and therapists are on-hand to work with and support students in the classrooms.

Formerly Lutheran Special School

On August 9th, Journeys suffered an unexpected and devastating flood. In just a matter of hours, water rushed through the school, damaging classrooms, the gym, and countless supplies and materials. The scale of the damage is staggering — initial estimates place the total loss at over one million dollars. From flooring and furniture to essential technology and teaching materials, every area of the school has been affected. We were blessed to be in a position to be able to help them reopen for the 2025-2026 school year.

LCEF Church Worker Loan Pool

\$3,000

This LCEF Church Loan Pool was established in 1978 to serve ministries within LCMS; congregations, schools and Recognized Service Organizations (RSO). It provides affordable loans to church workers with lower interest rates, giving these church workers opportunities like home ownership and debt consolidation. Please visit the Lutheran Church Extension Fund for more information.

Lutheran Counseling & Family Services

\$5,000

LCFS began in 1896 to provide an alternative to overcrowded orphanages in Milwaukee County. During the 1950's and 60's they realized the need of counseling for emotional and behavioral concerns for boys 6-12. Shortly after they added counseling for unwed mothers and fathers. Mental and spiritual health was always the top priority. Over the years they continued to expand their services and locations. Thrift stores were opened to help support these services. Today they support 1/3 of their annual budget.

Currently they have 10 satellite counseling offices in the state, two offices serving adoption needs, 18 schools partnering for in-school counseling including the LUMIN schools in our area.

In addition to the many faith-based resources on a wide variety of mental health issues they also offer:

- Training church, school and community business staffs to learn basic signs of mental illness, grief, suicidal tendencies and other concerns
- Providing staff and congregation members with assistance in making referrals for individual, family or child counseling for professional faith-based counseling services
- Crisis Response – To have LCFS staff present and available for immediate crisis support and follow-up care for the LCMS community and schools
- Licensed across 38 Wisconsin counties, providing compassionate support to birth parents facing unintended pregnancies with confidential counseling and personalized adoption plans.

LCMS Disaster Relief Fund**\$3,000**

The LCMS Disaster Relief arm of our Lutheran church carries our beliefs for Witness and Mercy into all areas of the world. The data from 2023-2025 shows the extensive work they carry out in the name of Jesus. During these past three years they awarded grants totaling \$3.4 million to LCMS districts, congregations and Recognized Service Organizations (RSOs), assisting communities affected by hurricanes, tornadoes, floods and wildfires. The substantial efforts of volunteers across the nation include 4,755 volunteers that have participated in training, and 6,630 were deployed.

LCMS Disaster Response does not end at the national border. During the previous three years, the LCMS has supported disaster relief in 12 countries across Asia, Latin America and Africa, providing \$1,082,873 in grants to assist global partner churches. These grants supported distribution of food, water and essential relief supplies following natural disasters, and they also supported the rebuilding of Lutheran churches, schools and the homes of church workers and community members.

“God has used ordinary Lutherans with practical skills and compassionate hearts to bring real help and real hope.”

***South Wisconsin District—Disaster Relief Fund*****\$3,000**

Our local district also has a Disaster Relief Fund named the Mercy Care Fund. This fund is tapped in times of natural disaster, regularly supports congregations who address food insecurities and supports mercy and/or human care ministries based on specific request within our congregations, schools and LCMS Registered Service Organizations (RSOs). The Fund seeks to carry a balance of at least \$25,000 so that we can act immediately when disaster strikes, and then fundraise to meet the actual need and backfill any original outlay so there is that balance-on-hand available for the next event.

During the past fiscal year, the Fund granted more than \$300,000 in disaster relief; the majority of which was to support those who suffered flooding the rain and flooding in the greater Milwaukee area.

Pray for Michael and Jen-Yi “Irene” as they serve in Taiwan. Ask God to give them wisdom to use their time wisely with the many opportunities to teach God’s Word and share His love with the people in Taiwan.

LCMS Joint Seminary Fund***\$4,000***

The LCMS supports two seminaries — Concordia Theological Seminary in Fort Wayne, IN and Concordia Seminary in St. Louis, MO — with Sunday-morning worship offerings set aside by congregations for district and national/international work.

Our seminaries are important to everyone who needs the good news about Jesus. Well-equipped pastors, deaconesses, missionaries and theological leaders are vital to our life together as they faithfully and accurately teach the Gospel. For our entire history as the Lutheran Church Missouri Synod, well-formed and compassionate pastors have been important because the Gospel, faithfully delivered in Word and Sacraments, is essential to each of us.

These two historic seminaries were founded in the 1840s to train pastors in confessional orthodox Lutheranism: Concordia Seminary, St. Louis (1839) and Concordia Theological Seminary, Fort Wayne (1846). Founded to provide pastoral leadership for German immigrants, they merged into the Synod in 1847 and 1849, later growing to play a key role in training clergy during the church's expansion.

The LCMS Joint Seminary Fund was established to supplement the Synod subsidy by directly soliciting the church for charitable donations. Gifts to the LCMS Joint Seminary Fund are restricted exclusively to supporting both of our world-class seminaries.

Lutheran Church Charities***\$2,000***

Founded in 1947 to support human Christian care in ministries, LCC is supported by the LCMS working together both in the US and internationally. The LCC has a large K9 ministries program along with other programs working together with the LCMS.

This particular grant is to assist with their Spiritual First Aid training program. This program provides trained individuals to become effective first responders. Attendees of the Spiritual First Aid project learn the biblically informed framework for crisis care; gain practical helping skills and understand research backed tactics, trauma care practices, and field tested tools.

Street Angels, Inc.***\$1,500***

Street Angels (a mobile outreach organization) began serving our homeless population in 2016. Their staff and volunteers travel directly to those who are experiencing homelessness in Milwaukee County. Unlike organizations that focus solely on facility-based care, Street Angels operates mobile outreach buses to meet individuals where they are—under bridges, in parks, and in encampments.

Every Tuesday and Thursday evening, each outreach bus is operated by 1 – 2 staff members and 2 – 3 volunteers who are traveling specific routes anywhere from 5 – 7 hours each night. Their three routes take them to Downtown Milwaukee, and the North and South sides of Milwaukee. They average 70 – 90 stops per night, including homeless encampments, park-and-ride lots, beneath bridges, and public meeting spots. Not only are the outreach teams providing free access to basic needs such as a hot meal and a dry blanket, but they are also making connections and collecting data to assist individuals in advocating for themselves and getting connected to the resources that can assist them in ending their unsheltered homelessness. Also, during cold weather they are able to transport people to shelters.

Three days per week, the mobile shower trailer program is designed to provide dignity on wheels to the Milwaukee community. Guests are provided with clean clothing, towels, hygiene kits, a nutritious bag lunch, a hot shower, and a warm smile to hundreds of neighbors experiencing unsheltered homelessness.

Street Angels' advocacy initiatives include both individualized and policy-level advocacy. Their efforts have connected over 900+ individuals to permanent housing resources and have brought county-level resolutions, including "Code Blue" and "Right to Shelter," meant to protect people from brutal winter weather. Additionally, Street Angels is proud to initiate community education sessions designed to raise awareness and provide education on homelessness in our community. Through various community partnerships, resources are available for mental health care, harm reduction, and AODA treatment. Because of these partnerships, Street Angels is able to offer life-saving supplies, including Narcan.

Street Angels Inc. is a beacon of hope in Milwaukee County, providing essential support to our neighbors without homes.

Since then God has provided them with a warehouse and many other volunteers who assist with food and distribution, organize fundraisers and community-building events, and serve hot meals and other items to those in need. Currently they serve hot meals at various park locations in Milwaukee, Waukesha and recently added Madison.

We previously assisted in purchasing a refrigerated van. That goal has been reached. They are able to serve hot meals Monday thru Friday in front of St. Joseph's church, at Kosciuszko Park on Saturdays and in Madison on Wednesdays. In addition, they have a food drop program and a bicycle program.

For more information or to support this project please visit their website at <https://whitstonewarriors.com/>. They are a faith based, all volunteer organization, operating solely on donations.

To our Friends,

As we reflect on the past year, we are reminded of the many accomplishments and blessings of 2025. This report is provided to show you the programs that were supported through grants from the Endowment Fund throughout the year. How exciting it is to hear the stories from those who received assistance and how it helped them to reach out and share God's love with others.

Our members and friends contribute to this fund in order to spread the Gospel of God's love in ways that our current budget does not include. We are blessed to have generous supporters who continue to make possible this assistance to organizations that spread the Gospel or offer help to those needing physical and/or spiritual aid.

We are filled with gratitude for all of God's blessings and would like to express a heartfelt thank you for supporting this Extended Ministry Endowment Fund.
